

# Annual Minnesota SCI Rifle Tournament

The Annual Minnesota SCI Rifle Shoot will be held at the Northstar Rifle Club just outside of Redwing, MN on Saturday, April 26. Registration starts at 9:00 and we start shooting at 10:00 AM. This is a great opportunity to experience one of the best rifle ranges in Minnesota! We would like to invite all of our members and their families to participate. This is an informal competition where the emphasis is on having fun spending time with fellow members over high scores. We focus on shooting from actual hunting positions and encourage shooters to use their normal big-game hunting rifles for the centerfire portion of the course.

We shoot paper targets that have the images of game animals on them at ranges of 50 to 300 yards. The courses are as follows:

1. 50 yards - It must be shot with a rimfire rifle (.17 or .22 Cal) offhand either standing or kneeling. (Total 10 shots of rimfire)
2. 100 yards - This course must be fired standing offhand or standing using shooting sticks. 10 rounds (Total 5 shots of centerfire)
3. 200 yards - This course has 3 separate course of fire; 5 rounds at a stationary target from a standing position, 5 rounds at a stationary target from a prone position using a bipod or a backpack as a rest, 5 rounds at a moving target. (Total: 15 rounds centerfire)
4. 200 yards - This course may be fired from a prone position, using a bi-pod, backpack, or other item as a rest. 5 rounds at a stationary target animal, 5 rounds at a moving target, and 5 shots at a 2 inch bullseye. (Total: 15 rounds centerfire)
5. Cape Buffalo Challenge (5 Rounds centerfire - big bore encouraged!)

Each target has two defined vital zones. Scoring is as follows:

- Center Vital Zone - 10 points
- Outer Vital Zone - 8 points
- In the body of the animal outside of the vital zone - 3 points

After the shoot is over, we will have a barbecue and brief awards ceremony as well as drawings for prizes. Cost: \$35/person. Includes all range costs, lunch and beverages.
